

Why Choose HPC KeKabs?

Neutral Sand

Fire Dept Red

Red Wood

For more than 50 years HPC has been the market leader in security storage, producing quality key cabinets for every application.

The heavy-gauge steel construction and unique textured painting process provides an extremely durable and attractive finish that shields against scratches, fingerprints and damaging moisture. The electro-welded piano hinges offer unsurpassed strength and security, and eliminate sagging doors.

- White Plastic Key Tags with bright nickel plated snap-hooks which can hold multiple keys on each snap-hook. The tags are numbered for easy identification.
- Durable Steel Key Racks that are slotted to store key tags uniformly for immediate identification.
- "Out Key" Control Tags that are made of yellow paper. They are used for accountability (to record information on loaned keys).
- Comes with a key retaining 5-wafer cam lock or a high security TriTeq Digital Lock.
- Unique textured painting process which provides an attractive and very durable finish.
- Heavy Gauge Steel Construction with piano hinged doors and key panels provides a sturdy location to secure your keys.
- Mounts beautifully in any Office, Hospital, University or anywhere organize elegance is desired.
